ACTIVITIES

Participant of Hacktopia Hackathon conducted by Guru Nanak Technical Institutions - Hyderabad

August 25,2023 - August 26,2023

As a participant in this esteemed hackathon, we were able to showcase our skill in finding a solution for Smart Waste Segregation System to segregate and suggest the treatment methods.

Finalist in CyberX Hackathon conducted by Greater Chennai Police in collaboration with VIT - Chennai

May 18,2023 - May 19,2023

We were provided a great opportunity to showcase our solution in the Grand Finale of CyberX Hackathon where our problem statement is to create a solution for Social Media Monitoring where

the monitor can search for inappropriate and violent words.

Finalist in Smart India Hackathon, Ministry of Education, India *Aug 25,2022 - Aug 26,2022*

It was a good time to be present in Grand Finale of SIH 2022 where our problem statement was to track the fund transferred from the Ministry of Rural Development to common people under several Schemes.
